AWARDS

International Award by Govt of
Islamic Republic of Iran on
Documentary
"Indian economy in global
perspective - 2004"

PROFILE

A bubble is described empty delicate ball from inside of saponaceous liquid floating on the surface. So philosophically it is said about human beings. But for me it is not fair to claim to be loaded with knowledge, experience, commitment and energetic but, yes, that is what said about me by those who have observed my work ethics as professional.
